wheat and wheat products without quantitative restrictions subject to the condition that the stocks in the Central Pool shall not be lower than the buffer stock of 143 lakh tonnes of wheat at any point of time.

Norms and schemes for foodgrains allocation

5012. SHRI A. VIJAYA RAGHAVAN: Will the Minister of CONSUMER AFFAIRS. FOOD AND PUBLIC DISTRIBUTION be pleased to state:

(a) whether any State Governments, during the year 2003. have demanded changes in the norms and schemes for foodgrains allocation.

(b) whether any representations were submitted to the competent authority stating that due to restrictions placed in foodgrains allocation, a large number of families Below Poverty Line (BPL) can't be covered under the schemes; and

(c) if so. the details thereof including the action taken thereon?

THE MINISTER OF STATE IN THE MINISTRY OF CONSUMER AFFAIRS. FOOD AND PUBLIC DISTRIBUTION (SHRI V. SREENIVASA PRASAD): (a) to (c) The allocation of foodgrains to all the States is made @ 35 kg. per family per month for all the categories under Targeted Public Distribution System (TPDS). The number of BPL families has been fixed for each State on the basis of poverty estimates of the Planning Commission and population projections of the Registrar General of India as on 1.3.2000. The basis of allocation of foodgrains under the TPDS has been applied uniformly to all the States/UTs without exception and cannot be changed in isolation for a particular StateAJT. Hence requests for change in allocation on the basis of actual number of BPL families identified/Ration Cards issued by the State Governments being different from that of the Planning Commission or any other basis have not been acceded to.

Godowns in foreign countries
